Benefiting Elks Charities

The mission of the Elks National Foundation is to help build stronger communities by providing our youth with lifelong skills; honoring the Elks pledge to never forget our veterans; and funding projects that improve the quality of life in local communities. Since its inception, ENF has contributed more than 324.6 million towards Elks' charitable projects nationwide.

The National Veterans Service Commission has been a primary philanthropic mission of the Elks since 1917. The West Shore Elks Lodge supports veterans through monthly visits to the Lebanon VA medical Center, donations of food, books and personal care items, sponsorship of an annual Veterans Picnic and the "adoption" of troops abroad.

Since 1963, the PA Elks Home Service Program has been providing support and advocacy services to Pennsylvanians of any age who have a developmental disability. Last year, the Elks Home Service staff drove 251,858 miles and made 11,976 home service visits, helping families in every county in Pennsylvania.
